

TAMS Medical Society

Cook Children's Application Instructions

Step 1. Message Nina

- Due to the fact that Cook's Children limits the number of TAMS students volunteering, I need to have your name so that I can coordinate with Cook Children's and you can volunteer. So, make sure and message me (Nina) letting me know that you are applying!
- It would also be great if you could keep me updated on your application process (i.e. Just turned in app, accepted into interview process) that way everybody is kind of on schedule

Step 2. Important Dates

- This isn't really a step but more to inform you! The Cook Children's Volunteer App is DUE BEFORE SCHOOL STARTS. However, they do first come first serve so preferably have the apps in by mid-August
- We should start volunteering late September or early October, but this is subject to change.

Step 3. The Application Itself

- Sorry guys this step is a little long but also very IMPORTANT.
- For question 1 (why do you want to volunteer?): mention being in the TAMS Medical Society and thought this opportunity was good or something like that
- For volunteer placement preferences, click none of the camp ones and click whatever else (it doesn't matter really)
- For Times available: click saturday-morning, afternoon, and evening, click NOTHING ELSE or you may get a weekday shift where we can't provide you transportation and you also can't volunteer with us

TAMS Medical Society

- For references: Your references need to be legit because they do actually email/call the reference and request them to fill out some forms for you. If you have trouble finding references, I (Nina) or Aparna or Louisa will be happy to be your reference.
- Referral source: learned through TAMS/TAMS Medical Society program

Step 4. The Logistics

- Again, another informative step. Depending on how many people apply (MESSAGE ME so that I know), we will take between 10-15 people each Saturday to the Fort Worth location (about 50 minutes away).
- The people going will vary each week so sign ups will be posted on the FB page weekly. Speaking of which, JOIN OUR FB PAGE NOW because all updates will most likely be on there from now on and you will be missing out.
- We will do our best to get everybody a chance to volunteer. If you volunteer 50+ hours with Cook's then you may get a shadowing opportunity so please, make sure you are committed.
- Also, check out our website because yay TMS :D

<3 Your Vice-President,
Nina Kupra

Plus, shoutout to the other TMS Babes Aparna and Louisa because they are amazing and will be helping with this opportunity too!

TAMS Medical Society

P.S. We are so so excited to be working with you baby juniors. Looking forward to seeing y'all soon!!

^^
